Subject:	Our Lawyers

Hi Gary
I think the report from SDN/Pavel re Frankfurt is good.
Re Attia I think we have to ask Tushia Ronit his Lawyer to cc Hans and Shmulik on every step and get their approval. Probably we should "nominate" Hans or Marnin as OUR side Lawyer and Shmulik as OUR side accountant and probably the accountant for the Israeli Joint Company so that we have full access to the numbers.
Your thoughts
